**Finally, A Music & Movement Program As Easy To Teach As ABC!
It's Fun and Educational! It's Edutainment!
Special Back-To-School Offer For Head Start Schools!**

Hackensack, NJ— Early childhood professionals know how important early learning is to the development of the whole child and research shows how important exposure to music is for children in the pre-school years. But up until now the only way a pre-school or daycare facility could offer a music and movement program was to hire a professional music teacher or send its own teachers for extensive training...both very expensive options. Now there is a better and less expensive way to bring a music and movement program into your Head Start School, the Wiggles N' Tunes Music Play Program!

This totally self-contained program can be purchased by mail and within hours of listening to the music and reading the manual in the start-up kit, any teacher, with or without a musical background, can be teaching the Wiggles N' Tunes MusicPlay program. This unique “pop in the music and play” format, accompanied by lesson plans and activity song cards, can be taught by anyone--meeting the national pre-k music standards, Wiggles N' Tunes integrates fun with music fundamentals and will truly enrich every child.

Wiggles N' Tunes is offering an incredible back-to-school \$100 discount offer available to Head Start facilities only. The regular retail price for the complete curriculum kit with tapes is \$299.95 plus S&H. Now, the curriculum can be purchased for a limited time while supplies last for only \$199.95 plus S&H to qualified centers. The Wiggles N' Tunes curriculum provides Head Start educators with a teacher's guide handbook complete with classroom reproducibles and other resources. The Wigglin' Collection Kit consists of 12 accompaniment tapes (CD's also available) with a set of instrumental only tracks followed by a version of instrumental/vocal tracks with a pre-recorded singer, lesson plans including movement, songs and music activities, and a Wiggles branded Ink Stamp. All teacher resources are flexible and easy to use
