**YOUNG CHILDREN EXPERIENCED THE JOY OF MAKING MUSIC AT ORADELL  
PUBLIC LIBRARY'S FIRST PROGRAM OF THE NEW YEAR!**

January 17, 2007, Oradell—Young Children delighted in a morning of wiggling, singing and making music with Wiggles N' Tunes, an award-winning children's entertainment company. The program, featuring Carolyn Zorn, an award- Violinist known as Miss Wiggles, was sponsored by Oradell Public Library and held in their temporary location in Borough Hall. Approximately 30 aspiring "little musicians " from one to five years of age showed up for their very first hands-on experience making music. It was magical to see the smiles on the children's faces when they were shown a violin and allowed to touch the strings, hold the bow and experience making sounds.

Children from 1-5 enjoyed a morning of wiggling, singing and making music with "Miss Wiggles," Carolyn Zorn, at the Oradell Borough Hall. The award-winning Wiggles'N'Tunes program was presented by the Junior room of the Oradell Public Library as a kick-off to the winter story time sessions. The children enjoyed singing and playing with musical instruments and props such as bubbles, egg shakers, jingle bells, hula hoops, colorful scarves, puppets and more. "We all know how much children love snow", says Miss Wiggles, "so far I decided to put a unique twist to the popular children's song "roll this little ball" into "Roll this little snowball", performing this children's favorite with pretend snowballs." The children rolled soft white "koosh branded snowballs" back and forth to each other.

"The children had a wonderful time," said Youth service Librarian Debby Kyritz. "They really loved playing the violin, " says Kyritz, but this didn't come as any surprise to Carolyn Zorn who has been teaching the Suzuki Violin method for over 25 years!
